Car complete service in NRW

Your chance to become self-employed: A specialist company from the "Service for Motor Vehicles" industry is looking for you as your successor.

The company offers comprehensive services in the fields of car repair, car glass and car glass repair, car styling and extreme tuning. Special are the consulting, planning, installation and service in the field of gas systems for vehicles of all kinds. The professional workshop service for repairs to caravans and caravans of various brands also sets the company apart from its competitors. In addition, the company has four sus-to-swas washing stations.

The company is well established on the market and has very well-trained and motivated employees. A thorough training in the technical and commercial field is assured.
