

The big business marketplace

Business for sale more than 15 years

ID 21485

Offer Franchise, license

Licence for tutoring

Tutoring is the business of the future. This is without doubt, because the demands on our grammar schools can hardly be coped with without professional help for the normally gifted student.

Our innovative and award-winning learning concept meets these requirements and solves the problems. At the same time, we are moving in a market segment and have an unbeatable USP, i.e. unique selling points.

Are you a winning guy who keeps getting up, who brings diligence and faith in himself? We provide you with the know-how. Be one of the first for this revolutionary concept of territorial protection.

Your advantages at a glance:

- * good profit prospects
- * excellent market potential
- * innovative, award-winning learning concept
- , * Finished Franchise License System
- * comparatively small investment

Please ask for questions with your phone number and motive.
