Restaurant/Hotel with great garden for sale in the Hanover region

The owner-managed restaurant, with hotel rooms and two rooms for meetings and festivities, offers high-quality, traditional and regional cuisine. The guest rooms are in high demand by business travellers. The combination of affordable accommodation prices and a good, affordable dinner is highly appreciated. So is the great garden.

The company is for sale for personal reasons of the owner.

The company has a long tradition over the centuries. The current owner has been running the restaurant business for over 25 years. The restaurant is known throughout the region and is very popular with guests.

Sales class: approx. €300,000. Over the course of its history, the company generates continuous increases in sales and earnings.
