## Offer Corporate sales, firm sales, sales **Showman and event company**

For decades, the nationwide showman and event company has been a well-known organizer of folk, company and fire brigade festivals with their own equipment and personnel. Other business activities include the rental of amusement attractions and equipment, including their transportation, construction and operation by third parties, such as (e.g., marquees, rides, play, snack, and toilet wagons). With special entertainment offerings, long-term customer relationships and high flexibility in customer inquiries, the company has developed a market-leading position.
