Offer Corporate participation, firm participation

IT services

We are a team of two people. Person 1, Master's degree in IT (e-commerce), person 2, budding accountant.

We are in the process of offering IT services. From programming websites, apps, etc., or maintaining IT problems and more.

There are best contacts to Bangladesh with high-profile IT graduates about what the actual programming is supposed to run.

We are looking for a partner who brings experience and contacts from the industry.

If you are interested, please contact us using the contact form with your contact details.
