---

ID 21604

Offer Corporate follow-up, firm follow-up, follow-up

## **Ingenieurbüro**

Engineering office in special machine construction / general mechanical engineering  
partial device construction  
3D Software (SolidWorks)

We create drafts, detail and assembly drawings, including all necessary calculations, bills of materials and function descriptions.

Depending on the order creation, we design and draw entire machines or machine groups or we detail according to designs.

On request, we can also design systems especially in the field of final packaging technology.

### Succession

Region 74, Germany
