

The big business marketplace

Business for sale more than 15 years

ID 21614

Look for Corporate financing, investor **Online Marketing Agency**

We are a young online marketing agency specializing in digital new customer acquisition.

With a strong network and solid know-how in the most modern sales channels, we were able to grow healthy and position ourselves.

Now we want to duplicate success and further scale our business. To this end, we are looking for capital.

Please contact us for more information.
