## **Personnel services company**

I am looking for someone to set up a human resources service company with the following personal basics:

- entrepreneurial thinking
- Courage to co-establish a company in the above-e. segment from A to Z
- the knowledge to do more than one regular 40-hour week
- the enthusiasm to want to make a difference and can
- the courage to use own capital (8,000,- to 15,000,- €)

I offer:

Experience and contacts in the following areas:

- Hiring-out of workers (approx. 22 years)
- private employment services (approx. 18 years)
- Network building experience
- Experience in creating business concepts
- Experience with funding applications
- Experience in QM (approx. 6 years)
- Experience in the field of AZAV (approx.
