## Offer Corporate follow-up, firm follow-up, follow-up **Maintenance and repair**

The company to be divested operates in five different business areas. The most important and high-turnover business area is the distribution of services related to bread-cutting machines for bakeries, bakery shops in food markets and large kitchens (e.g. in prisons).

The company is an interesting business for craftsmen and craftsmen with a high affinity for services.

The special potential of this company is that the turnover is generated with very little advertising effort. If targeted marketing activities are carried out, a significant increase in sales and earnings is possible.
