Offer Corporate sales, firm sales, sales

Internationally renowned restaurant with flair

A successor is being sought for the café and restaurant, which has been in an excellent neighbourhood location for over 10 years, for health reasons. Experienced and reliable employees work in a high-quality gastronomic environment and contribute significantly to the international reputation of the company. The ambience of the company is charming and inviting to enjoy. Inside, the company offers seating for up to 100 people, outside up to 200 people.

Strengths

The company belongs to the type Grand Café and is featured in worldwide travel guides and tourism portals. High-quality ingredients are processed into a premium breakfast, which is currently the company's core business. In addition to tourists, many regular guests like to frequently visit the café to take its pick of snacks and ice cream variations.

Potential

The company offers various potentials for successors or buyers. On the one hand, increased marketing measures can lead to a significant increase in turnover. On the other hand, the excellent location can open up additional outdoor seats and thus generate further sales growth. A conceptual reorientation in connection with spatial redesign is also possible.

Transaction

For sale are 100% of a gastronomy business with flair. The company does not own any real estate. The Grand Café is located in the heart of . The owner is available for a transitional period after arrangement.
