## Offer Corporate follow-up, firm follow-up, follow-up **Painting and stucco business**

The company is known for its quality and reliability and mainly works in the private and corporate customer sector.

For more than 10 years, the operation has been equipped with digital time recording, existing calculation bases and work preparation.

In addition to the industry-standard inventory, there is a paint mixing system, aluminium scaffolding, forklifts and vehicles in operation. Induction by the company owner is guaranteed.

The company is currently reduced to 3 employees due to age reasons and is designed for a company size of up to 10 employees and can also be expanded. There would be another plot of land for this. The commercial property was built 20 years ago and includes workshop, warehouse and parking lots and an adjoining residential building with social rooms and rented apartment (old building).

A short-term viewing appointment is possible at any time.
