Offer Corporate sales, firm sales, sales

Security

Sell a UG

Security

- The company has been in existence for 3 years, which is the first requirement for participation in municipal tenders.
- The company currently has a negative BWA - this has to result in a certain tax saving.
- no employees - no obligations and legacy
- Complete professional high-quality CI (corporate identity) with logo and business equipment - guarantees continuous communication and recognizability
- short concise name with thematic meaning
- existing homepage
- Possibility to separately acquire a complete quality management system for AZAV certification (was already certified) with QMS manual, all processes, 4 planned courses (training in the security area)
