Healthy Snack Boxes

Fit into the day with responsible snacks

We set up snack boxes in companies and hit the nerve of the times with these exceptional snacks.

Our snacks are vegan, have less sugar and no additives, they are packaged and durable and well suited for the little hunger in between.

A small mobile kiosk that can be found everywhere.

You want to become self-employed or are you already? Our licensees should be sociable, entrepreneurial and have an affinity for organic and fair trade. The offer is valid nationwide.
