Business for sale more than 15 years

ID 21744

Look for Corporate financing, investor **Holiday home rental Denmark**

We offer a financial stake in a new, lucrative holiday home website for Denmark with THE generic top domain.

Denmark is permanently one of the most popular regions for holiday home holidays. We will offer over 23,000 holiday homes in Denmark. In Bornholm - Funen - Jutland - Zealand

To build this website, you invest capital in the amount of 25,000€. For this, you will receive a permanent, 50% project participation in the form of an atypical silent participation. Experience has shown that these projects are refinanced within 4 years.

From that moment on, the website generates permanently passive income for you.

Interested holidaymakers have the choice of more than 23,000 holiday homes in Denmark – clearly sorted and easily bookable online. Denmark is permanently one of the most popular regions for holiday home holidays. We will offer over 23,000 holiday homes throughout Denmark.
