Look for Corporate financing, investor **Event Location**

Hello,

I own a newly founded Event Location which is divided into two areas. The location is very well accepted on the market and is unique in Germany. The first part of the location has already been completed and is generating good sales and profits. In order to complete the second area, however, I need a financing / participation of up to 150,000 €. I am ready to remunerate the financing or participation properly and I am looking forward to getting in touch with you.
