Offer Corporate sales, firm sales, sales **Online shop for simple jewellery**

An online shop for simple jewellery is sold. These include:

- Complete shop system to get started directly, including automatic invoicing, various payment providers (PayPal, credit card, Sofort, Klarna, etc.)
- Selection of products (primarily rings and chains) for the German/European market worth approx. 500â¬ (including packaging)
- Product images and descriptions are available
- Contacts to various manufacturers are of course passed on

You will receive a complete package for the start of self-employment. You will be instructed in the shop system, and you may also be able to implement changes and wishes.

Currently the shop is still running on our test servers, so there are no "bindings to a name" yet. This allows you to design it flexibly yourself.

The project is NOT a dropshipping offer.
