Offer Corporate sales, firm sales, sales

Fotostudio

Photo studio complete for sale.

Good location and customer base. The photo studio has been in existence for 33 years and is well known in the district. The studio is available for sale in a completely different photo background and studio flash light system. Various studio accessories are included, such as tripods, various flashes, softboxes, etc. If you are interested, an inventory list can be sent, or rather everything can be viewed on site. Studio is also in very good construction, freshly painted and new LED lighting, so that over 50% electricity is saved. New homepage with SEO Coach and many others things. When the studio is taken over, you can start taking pictures immediately.
