Offer Corporate follow-up, firm follow-up, follow-up **Carpentry**

The successor or buyer for a joinery (individual company) from the area with the entire equipment and equipment including machinery/equipment and vehicles is sought.

The company has been in existence for over 25 years and is owner-managed. There are 4 highly qualified employees who - together with the owner - solve even the most demanding tasks, so that ongoing enquiries from sometimes long-term clients ensure a permanently high utilization.

The new production of furniture and entire interiors takes place mainly: from fitted kitchens to office furnishings or bathrooms to the production of individual pieces of furniture for all living areas.

The customer base consists to a large extent of very demanding private customers and partly of companies in the region who are looking for high-quality and creative solutions for their residential and office areas.
