Offer Corporate sales, firm sales, sales **Chartering of motor yachts**

Work where others go on holiday. Our private situation has unfortunately changed, so we offer our charter company in Croatia for sale. Customer base, small workshop, employees, lots of sun, everything available. The company should ideally be run from Croatia in the May-Sep/Oct. season.

There would be several options for the takeover/company sale. If you are interested in serious interest, please more details.
