Look for Corporate financing, investor

## **The mobile pizzeria**

I am looking for an investor for a gap in the market who would like to work with me in the long term.

Brief explanation of the project:

Many people know that when you order a pizza it is lukewarm and flabby as soon as the pizza arrives. I make the pizza on the way to the customer. More information such as Business plan and worst case calculation can be made. Capital requirement € 15,000
