Business for sale more than 15 years

ID 21859

Offer Corporate sales, firm sales, sales

Movers

The main activity of the company is to carry out for the customers not only pure removal services, but also the processing of household dissolutions and the storage of household goods. In addition, the company is affiliated with a second-hand furniture market in which inventories from the aforementioned household resolutions are sold.

The customers are made up of both private and commercial clients. In addition to the smooth order processing, you particularly appreciate the personal contact and the good price-performance ratio.

The owner-managed company has a very good reputation and attracts many customers in addition to advertising in daily newspapers also through recommendations. Orders are executed all over Germany.

The qualified and friendly employees, who are repeatedly positively highlighted in various reviews on the Internet, identify strongly with the company.
