Modern, cozy, well-established and popular bistro (approx. 40 seats) in the city centre with beer garden (another 40 seats) with large regular customer base is looking for a new host or operating couple.

The maximum possible opening time is 23 hours, 7 days a week.

In , the restaurant was newly renovated.

The restaurant is a local institution with an extremely high (positive) level of awareness.

The turnover of the employees (currently 8 employees) is very low, the employees are integrated, know the guests and are very motivated.

With the development of the city centre and the new mobility hub (tram, bus, taxi, bicycle, car parks), the potential for guests is steadily increasing.
