ID 21879

Offer Corporate sales, firm sales, sales **Onlineshop Photo-Optics**

Sell an online shop with exclusive design from the field of photo and optics:
Microscopes, binoculars, spectra, telescopes, accessories for hobby photographers as well as professional photographers.

Own corporate design and logo.

The online shop has been created according to the most modern criteria and is state-of-the-art in terms of visual, technical, functional and speed- up-to-date.

- Includes SSL encryption for data security.

No own inventory required (dropshipping).

The shop is completely preconfigured and furnished - with everything you need for the business process.

At the beginning, the shop may be operated part-time, but is designed in such a way that a full existence can/should be established in the medium term.
