## Offer Corporate sales, firm sales, sales **Rail Vehicles Repair Mobile**

With bases in Győr, Gyekenyes and Curtici, the company offers its customers mobile professional repair and maintenance of rail vehicles in Europe. Since its foundation in , the company has been able to achieve a high level of awareness and has the necessary certificates and a solid customer base. Through targeted advertising and an increase in awareness, there is still enough potential for market expansion, especially in Germany. The company is pursuing a strong growth path in terms of sales and profit.

The owner is available for an intensive training and is happy to accompany the Kaeufer for a period of time during the takeover.
