## **Ladies Fitness Studio**

Fitness Studio (Gym) for ladies with a stable customer base in near Munich.

The studio stretches over 200m<sup>2</sup> and is only 2,5 years old. The property as well as the equipment is nearly new and well maintained.

Fitness machines and equipment cover cardio, weight, functions and circuit training. Additional there is an area for various courses. Our weight loss programme and diet coaching are well known and always full.

Further ancillary areas in studio: showers, toilets, office, dressing room, check-in, mini-kitchen and a parking space for visitors.

A very good location is another advantage: main (frequent) street, close to city centre, few minutes walk from subway, direct connection to highway, 15 min by car to Munich Airport)

The gym is ready for immediate use, requires no maintenance.

No franchise contract, no financial liabilities.

Optimal for sports enthusiasts who want to start an own business or for business investors in strong German economy in Munich metropole.

Qualified personell can be taken over, we can assist in the induction phase.
