

The big business marketplace

Business for sale more than 15 years

ID 21968

Look for Corporate sales, firm sales, sales **Sicherheitstechnik**

You want to sell your business ?

We are a company that has been active in the security sector since 2000 with a focus on alarm and video technology.

In order to further expand our sales structure, we are looking for installers for alarm systems, video surveillance, fire warning systems for takeover, company succession, throughout southern Germany.

Partial sales, takeover of the customer base, acceptance of the contract or cooperation and acceptance of your sales structure is also conceivable.

Please send us your relevant information, ideas and contact details.

Discretion is a matter of course for us.

I am happy to be your contact for fair, constructive conversations.
