Look for Corporate financing, investor

Gastronomy

We are looking for seed capital for a wine bar in an unrivalled location.

In a small holiday area on the coast should a wine bar should be created which does not exist in the whole area.

We have found the restaurant, now we are looking for the seed capital.

We are a GastroFamilie who wants to realize an idea and is now curious if anyone wants to help here.

All the rest like to talk about.....

Capital

Region 25, Germany
