Offer Commercial objects, Commercial properties

## **Woodworking plant**

We are selling manufacturing property suitable for wood processing and lumber trade, located on the area of about 2000 square meters in the city of Polozk, Belarus.

It consists of 2 production shops (1200 and 630 sq.m), several warehouses, Gantry Crane, drying chamber for 80 cubic meters of production capacity, offices, mini service station, its own electrical substation.

We have also on sale separately some machinery for various woodworking processes and means of transport and handling.

The plant is under shutdown now but before it produced floorboards, beads, baseboards, planed boards, square boards, beams, veneers, fences, pallets, pergolas etc.

The location is strategic as it is 100 meters from the freight railway station, 60 km from Russia

100 km from Latvia and 150 from Lithuania.
