ITK company is looking for buyers: Good market positioning & attractive return

An established ITK company with good market positioning, attractive return and a large customer base in northern Germany is for sale.

The company operates profitably and has been successfully positioned on the market for many years.

Experienced employees are employed, who are very well qualified and with a high degree of responsibility for their tasks.

More than 20% of sales are secured by service contracts in the medium term.

More than 1,000 active customers, another 10,000 passive customer addresses.

Target audience:

The company is ideally suited for an experienced salesrepresentative as a basis for the company's development or for market participants for inorganic growth based on long-term and stable customer structures.
