## Offer Corporate sales, firm sales, sales **Bike Rental Station**

Very popular and successful bike rental station in Mallorca is looking for a new owner.

The business has been achieving great numbers for years, working mainly with Germans and English-Speaking clientele. It is located in a lively city and has excellent reviews. It is easily accessible on foot, bike or by car.

It has many returning customers, but also new customers daily.

It can be run by a couple or partners, or with up to 5 employees - depending on the desired revenue and scope of work.

The offer includes 48 high-quality bikes, a fully-equipped shop and repair shop. The station was just renovated and the rent is low - because we have had the contract for 10 years.

Why are we selling? Because we need some fresh air :-) The business is running very well and will even survive the actualy -Crisis. But we have new plans and want to offer someone (ideally with a passion for biking) the opportunity to buy an established business. This way, you can take over a well-functioning business and live your dream of being a successful entrepreneur in Mallorca.

If this resonates with you - then ask for more details via private message.
