Offer Geschäftsidee, Geschäftsmodell

Online car dealership

Well-established online car dealership and registered word/image brand (logo) with high recognition value for sale. Easy-to-use car dealership software with the possibility to incorporate vehicles yourself or to import vehicles from e.g. wholesalers via electronic interfaces. Over 1,000 website visitors/day. Top Google ranking at various brands, excellent Google reviews. The further SEO support of the website can be taken over afterwards for a fee.
