Shipping Logistics, Packaging, Graphics & Printing

For our innovative services in the areas of shipping logistics, graphics and printing, I am looking for my successor or an actively involved partner in the area of Lake Constance/Oberschwaben, as a

Self-employed center manager/managing director (m/f/d)

Are you ready for the next career step and want to get out of the company? You want to enjoy entrepreneurial freedom, make your own decisions and are looking for a new challenge? If you do not want to reinvent the wheel, but want to rely on the safety of an internationally proven success concept, we are the right partner for your start into self-employment or ideally suited for expanding an already existing business area.

Here you have the rare opportunity to take over an existing service center as a self-responsible entrepreneur.
