Shop for online retail / dropshipping

For sale there is a fully automated online shop which was developed as a new shop, since the main shop has been sold in the meantime, we offer a new shop incl. domain. The shop offers only electro items (Pc & peripherals, laptop, tablet, consoles, photo & video, TV, hifi, smartphone, accessories and household from the area – white goods). Shipment of goods currently via so-called route business / dropshipping, no own warehousing necessary, by outsourcing can be done depending on future sales volume, the work by one person. The shop is also very suitable as a second shop or additional earnings, with corresponding marketing measures a very good main income is possible.
