Offer Joint Venture, venture by a partnership

Real estate development

We are looking for one/several capital investors for a residential & commercial building (3000m2 usable space) in Baden-Württemberg's inner city location with the potential for conversion from commercial space to additional living space.

I would like to make appropriate company shares (silent partnership) available against capital.

Total capital requirements: €3.5 million

Investment from: 100k € possible

They are happy to send me a message to find out all the details.
