Water sports

Enter an online shop - trade with a trendy item from the water sports sector. It's about stand-up paddling, which is becoming more and more popular. The shop is relatively new and is sold cheaply. Margins are quite high in this industry. You don't have a month. Fixed costs, such as office, warehouse, etc. For this reason, it is possible to enter online retail at low cost and become self-employed on the side. The range of articles is expandable by other water sports articles, such as surfboards etc.
