Cosmetic Studios / Waxing Studios

TWO very well established Waxing / Cosmetic Studios in the center of Münster (200 m2) and (160 m2) for sale. The studios are exclusively equipped (holistic interior design by architects) and have a large customer base. They stand out from the crowd through a sophisticated and holistic concept. Currently, 5-7 employees (m/f/d), as well as 2 assistants, are employed full-time and part-time. Succession does not necessarily have to bring a cosmetic training or the like, but should above all possess commercial know-how, entrepreneurial spirit and leadership.
