Offer Corporate sales, firm sales, sales **Online shop for bread baking sets**

The brand gained great notoriety in because it was part of the founding show:

The Cave of the Lions

This gave the shop an enormous reach and the sales figures were in the 6-digit range at weddings.

Later, a change of ownership took place and the shop continued without major marketing measures, with monthly sales in the mid-4-digit range. In the meantime, the shop was closed for 1 year and was reactivated at the beginning of the year. There is no BWA.
