

The big business marketplace

Business for sale more than 15 years

ID 22236

Look for Corporate financing, investor **Consulting**

The company provides capital to start-ups and medium-sized companies through silent participations.

In doing so, we are strengthening the financial strength and equity ratio of companies.

We offer you the opportunity to participate directly in our company.

Either in the form of a silent participation or a profit-sharing right.

Please request our participation exposÃ©.
