

The big business marketplace

Business for sale more than 15 years

ID 22246

Offer Corporate sales, firm sales, sales

Surveying office

surveying office for reasons of age. For 25 years, our customers have included municipalities, municipalities, engineering firms and private individuals. For them, we carry out surveys in civil engineering. We would like to see a successor who can use and expand our already established network and continue the surveying office, which enjoys a good reputation in southern Bavaria.
