Offer Corporate participation, firm participation
Technology, industry

We are an investment company looking for investments in industrial or technology companies of all kinds. The aim is to preserve values and at the same time to shape a successful common future.
The focus is on:
1, traditional corporate background, leading in the brand and / or products.
2, Headquarters in Europe
3, experience in administration or foreseeable possibilities for setting up such an administration. There should also be an experienced workforce with low turnover.
4.The operating business remains and the high fluctuations in customers and/or suppliers have not yet begun.

We look forward to your contact.
