## **Conversion and rental of motorhomes**

we operate a camper workshop, with rental and conversion.

Orders available, own workshop, 1 caravan technician, stage, tool everything available, currently nine vehicles in rental,

three vehicles currently for conversion expedition vehicle.

on its own it becomes too much, requests enough...

i'm looking for a caravan technician or someone from the industry.

Gas test certificate according to G607 is available.

also an investor who wants to give 2-5 campers into the rental. The market is booming, so it's worth the holidays are just around the corner.... unfortunately also, but the customers book...
