Music

Private music school for health reasons for sale. There are currently 80 students of all ages. The school is further expandable and has a well-established name. The rooms are rented and consist of 3 classrooms and a waiting room. Teachers work on a fee basis. In order to ensure that the continuation of the school proceeds smoothly, students, tenancy agreement, teachers and instruments should be taken over. I am happy to help you with the induction. Commission or other fees are not due.
