## Look for Corporate participation, firm participation **metalworking**

Successor wanted?  
Buyers wanted?  
Equity capital sought?

toolmaking  
Machining (contract manufacturing)  
Parts and assembly production  
Metal

More active, former middle-class entrepreneurs (male, 52j) are looking for a new challenge.

I offer:

- Versatile skills, quick induction possible
- Cooperation and participation in their company
- Leadership qualities with "sleeve high" mentality
- Communication strength and assertiveness
- Very good health and high resilience
- Investment (shareholder) capital up to 200TEUR

I am looking for:

- An active shareholding or full takeover
- Proven or design-dependent structures
- A task with development potential
- A fair and cooperative environment
- Option to the supporting structure component
- The company headquarters are located in HH, PI or SH

I look forward to hearing from you.

### [Participation](#)

Region 25, Germany  
Entry in own name
