Look for Corporate follow-up, firm follow-up, follow-up **Metal processing Turning, milling, assembly**

Industrial master metal 48 years old looking for a metal-processed company for turning, milling and assembly work in the form of a company succession. Happy to take over the property. Up to 50 employees. Through my experience as a plant manager, I would now like to take the step into self-employment.

[Succession](#)

Region 34, Germany
