Look for Corporate participation, firm participation

Gastronomy Object

We are looking for a private investor to open a restaurant/bistro in or the surrounding area. We are a restaurateur couple with experience in self-employment. Due to the Covid-19 pandemic, we have lost our previous restaurant and now need support for a new opening with a sure chance of success. We need 15,000 – 18,000 euros (depending on the location) and offer 10% silent partnership. If you are interested and have further information, please do not hesitate to contact us.
