Offer Liquidation, Operating dissolution

## **Cafe bistro**

Because of the closure of the business, a successor is sought who will take over a cafeteria in (Rhineland-Palatinate). The cafeteria is to be taken over with the inventory (furniture, kitchen appliances and sales counter). It is located in a busy industrial area, in a shopping market that is open from 8:00 a.m. to 9:00 p.m. There is a separate side entrance / exit, which makes it possible to use an outside area with additional tables, possibly suitable for smokers. A large parking lot is adjacent. There are several discount stores, furniture stores and clothing stores in the surrounding area, so you can take a break in a cafeteria.
