

The big business marketplace

Business for sale more than 15 years

ID 22844

Look for Corporate financing, investor **carrier**

We are a transport company from the Hanover region and are now looking for an investor/silent partner to expand our fleet.

We have a permanent client and have now received a new one.

Since the demand for vehicles is currently very high, conditions are attached to it, which we currently do not meet due to a lack of capital.

Capital

Region 30, Germany

Entry in own name
