Land for development

10 hectares of land for development in area is for sale. The area is already taken out from agricultural cultivation, no need for undergoing this risky procedure.

The area registered under one number in the land registry has two main parts:

1) 384 m² high quality 1 storey house, built in fenced around.

2) appr. 93,000 m² of land named "outdoor storage" in land registry.

Local building regulatory class is: Gksz 2 (economic-commercial service).

The area is 300 m away from main road no. 4 , and is accessible without weight limit for trucks. Complete infrastructure available (gas, electricity, water, sewage, telecoms).
