

The big business marketplace

Business for sale more than 15 years

ID 22922

Offer Corporate sales, firm sales, sales

Production / Chemistry

Only the production facility, including the machines and systems owned by us on site, will be offered.

Here products were filled with aerosol, e.B. insect spray. Although it is not produced at the moment, the necessary production permits are all available. You can immediately resume production.

The machines and systems are "old" but works.
