Gastronomy

A franchise chain from the catering sector, confectionery segment (dough) is offered. The products are absolutely trendy.

Currently available in 4 countries, with a total of 12 locations. 9 of the branches are currently located in Germany.

The franchise company is suitable for investors who want to expand with a diverse branch and customer structure.

The company has a professional website, with a professional shop system for the delivery and collection of confectionery.

Very high investments were made for the digitization of the company. Therefore, the buyer does not need to make investments in this area.

The design of the stores is also based on cooperation with a professional agency. The stores are developed according to the corporate identity and the professional style guide. The stores are equipped with the best technology.
